▼ Race overview

Race type
Time trial

Description
Race in the AWS DeepRacer Student League to climb your country and regional leaderboard.

Race dates
Start July 1 at 5:30 AM
End August 1 at 5:29 AM

Time zone
UTC+0530 (India Standard Time) Asia/Calcutta

Competition track
The BreadCentric Speedway is named after AWS DeepRacer Community Hero, Tomasz Ptak AKA "BreadCentric". This track adds a deceivingly technical section with an unforgiving hairpin turn separating the varying dragstrips. The BreadCentric Speedway will test the skills of even the most experienced developer.
Direction: Clockwise

Rules

Ranking method	Total time
Style	Individual lap
Entry criteria	3 consecutive laps
Resets	Unlimited resets
Off-track penalty	3 seconds
Submission quota	50
